Just Another Beaner Trail

The pack was buzzing with excitement at Sterns Champion Park, Thursday. Sharing stories from past weekend's San Diego Red Dress Run like CHINBALL WIZZARD puking in the ladies room and I'M ON MY PYRAMID slipping on it into PRINCESS OF INCEST'S breasts. Not only were they shooting the sh*t but we were also looking for our hare. You might know him as our LBH3 Haberdashery man or the the one who came in a close second for Rookie of the Year to MOUNDS OF JOY at Founder's Balls last year. Well, apparently our Trailmaster VICTORIA SECRETIONS forgot how much of a rookie JUST ANOTHER KIND OF BEANER (JACOB) was and let him hare a trail by himself! Since there are no rules in hashing (only guidelines) JACOB took it to the limit! Instead of relying on his fellow Colombian hashers to help lay trail, like JUST ALEX and OBI JUAN E COLI, THE BEANER (JACOB) took it upon himself and his Haberdashery mobile to do the work.

Hare Lies told us of a Turkey/Eagle Split, two beer checks with a third for the Eagles and lots of hills with no shiggy. With that, our Colombeaner Hare, covered in white stuff (can you say pre-lay?) headed off through the park! Once through the park, the pack split to their respective Turkey/Eagle Trails, this scribe did the Turkey. It's mostly because I like to hang out with fun hashers like BOYZ R US, BABY CRACK WHORE, the injured GOT DIBS! and SLOPPY SECONDS and more! We headed up 23rd St. and while crossing the light, I noticed BUST HER HYMAN and Visitor EZ FAG short-cutting to escape FRUIT'S whistle (we do what we gotta doo). Some of you might have heard EZ FAG blowing his horn which also had a cork turning it into a vessel after trail (cool)! Onward past the Army Recruitment Center, up Redondo Ave. where we could access the drive/walk up mail box to send our payments for September's Parker Campout and past the Jewish Community Center (insert own comment here).

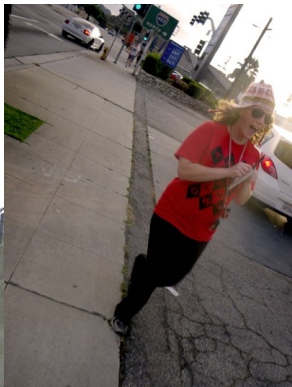

I caught up to LAST TRAIN and SIN D BARE but the pack was getting thirsty and so was 6-9 SPLIT'S puppy (see her for reasons not to eat the ice from a Beer Check). There was a slight cluster f*ck getting the pack over the fence and into the Beer Check area just before the 405 off-ramp. RIF RAFF helped many of us over the fence, including FRUIT OF THE LOOM, causing his black eye, or was that caused from FRUIT getting smart to SOSUMI? At the Beer Check, JUST JESSICA excitedly shared that it was JUST KEVIN'S birthday today. She added, "I don't even care if he finishes." LOL! We ran by the airport where BALLSANJA was reminiscing about a ThrowDown H3 Beer Check that we once had there and we crossed Willow St. to find a check which led most of us to another beer check and back into the park. Some of us directionally challenged hashers thrown off by a pack arrow, like STINGS WHEN I PEE and his New Boot Nephew, went the wrong, but found ourselves back at the park soon and filling our vessels with that sweet brown nectar we love!

Later during munchies, JUST KEVIN told me that JUST JESSICA, "Doesn't even care if her boyfriend cums." To add to the innocence of our returning new boots, SOUTHERN DISCOMFORT reported that JUST PHIL upon arriving at the muchie table said, "I wish they'd bring back the meat, I love the meat." (Naming?) Down Downs were started in Circle #1 until some pedophile thought it would be a good idea to move the circle within ear shot of some little girls inside the gym at the park. After much more cursing and singing, STUMBLEINA suggested we move the circle back, some of the pack got lost, what else is new?! All in all, it was a fun trail and hopefully we didn't scare off all of our new boots. Love you!

Your humble Scribe,
2 Yung 2 Du

REHASH: THIS DATE IN HASH HISTORY

Run # 615 Date: 6/27/1996 (15 years ago)
 Place: Seal Beach
 Hares: JOCK & FRUIT OF THE LOOM
 Miles: 4 Attendance: a lot

It was time for **JOCK's** annual BBQ Hash, and we were instructed to park along Seal Beach Blvd., south of Pacific Coast Highway. Parking was at a premium and hashers' vehicles were scattered everywhere. Scribe **NUT N' HONEY** called this escapade the "Old Men and the Sea Run", and created an artistic, hand-lettered document, complete with Hash Boy doodle, to record the evening's adventures. He reported that the hares took off promptly. (With **FRUIT** as a hare, could you expect anything else?) Trail headed down Electric and toward the beach, but **JOCK** was spotted throwing flour near Gum Grove Park, so **PINKY, NOSE DOZER** and **NEEDS ONE** headed in that direction. At the guard gate to the Naval Weapons Station, we were met with the chalk markings "Hare Snare - **WANKER, FOOD, MARK.**" **PILE DRIVER** didn't take credit because he said he didn't like leftovers. Anyway, trail led into the Weapons Station. It meandered through parking lots and towards the ocean. **NUT N' HONEY** was supposed to be documenting the eagle trail and **10CC** was supposed to be providing additional details about the turkey, but neither one of them ever saw a split. When we finally reached the on-in, we saw **FRUIT** (with beer bottles in his pockets) bullshitting with a guard. Here we were treated to hot dogs for one and all. Down-downs were hurried because we had to be off the base by sundown. We gave out some patches (**HASH BUM** - 200, **10CC** - 50 and **HOMELESS** - 69) and **FRUIT** presented **JOCK** with his red satin 500 run jacket. **PASSING WIND** won the coveted hashit. Then we all headed off to the on-on at Dave's Other Place. It was a rollicking affair and featured beer, shuffleboard and impromptu dancing. **This run won the award for Best On-On of 1996.**

ALSO IN JUNE 1996 -Run # 612 on 6/6 - new boots included Robert (now **RUB HER DICK**).
 Run # 613 on 6/13 -Lisa (later named **GREAT SALT LICK**) was a new boot. We also said goodbye to Marine **JAMES BONDAGE** who was leaving us for another duty station.
