## 15<sup>th</sup> Blew Dress Analversary Run

There once was a gal from the West,  
Who thought our Prez Bill was the Best,  
She dressed up in Blew,  
To show off her Spew,  
And Clinton eventually Confessed.

Now a decade and a half has Passed,  
We run in Blew Dresses; A Blast,  
Through concerts and Shiggy,  
Was started by Iggy,  
Who thought this tradition would Last?

This year, a long trail was Built,  
No beers at FOUR checks were Spilt,  
No protesting Pickets,  
No jay-walking Tickets,  
And a fun ON ON ON - Tilted Kilt.

### REHASH: THIS DATE IN HASH HISTORY

Run # 621      Date: 8/8/1996 (15 years ago)

Place: Huntington Beach

Hares: Last Train and Pathetic Lay (aka Gay Porno)

Miles: ?      Attendance: ?

This run began in Delaware Park near Beach Blvd. and Atlanta Avenue. **LAST TRAIN** announced that the run was in celebration of the 30<sup>th</sup> anniversary of the Monkees. (That would make it the 45<sup>th</sup> anniversary now. Yikes!) Scribe **8 YELLOW SNOW** displayed his a) age, b) music trivia knowledge or c) both of the above by sprinkling Monkees' song titles throughout his write-up. The hares were off at 6:30 and strolled leisurely across the park, signaling a pre-lay for sure. We went through some tame shiggy, and then most of us bit on a circle jerk near the Hilton. Next, we ran by a trailer park, home to Huntington Beach's finest white trash. We crossed PCH and through the U.S. Open Surfing Competition and then headed back north through a schoolyard. Soon we arrived at the on-in, which is more than we could say for the bag wagon and the beer van. **CHEAP MISERABLE SLUT** finally pulled up and thirsty hashers all converged on **LAST TRAIN's** Monkeemobile. A naming committee was formed so we could we could get down-downs started before the cop that was lurking in the bushes could pounce on us. They named Lisa **THE GREAT SALT LICK** and decided that the self-named hare **GAY PORNO** should be dubbed **PATHETIC LAY** instead, as his trail indicated. Down-downs went quickly, as the fuzz was still lurking. It was then

the fuzz was still lurking. It was then that we formally named **HOOTERS IN THE BLOWFISH** (see Run # 619 hash history for details!) **EZ GOIN'** was recognized for his 200<sup>th</sup> run, which was actually 3 runs previously, but this was the first time since then that he'd arrived on-in while down-downs were still in progress. There is no record of who got the hashit or where the on-on might have been. (The On-Disk was on vacation.) **ALSO IN AUGUST 1996** - Run # 620 - Just Mac gets named **3 ½" FLOPPY DICK**. Run # 623 on 8/22 - new boots included **TAKE A #'s** daughter Just Dana, now known as **PULL TOY**. Sadly and unexpectedly, **SUGAR TITS** passed away on 8/15/1996.

### **Tree Dedication for Fungus Amongus and Hash Memorial Service**

***It is a long-standing Long Beach Hash tradition to plant a tree as a living memorial for Long Beach-connected hashers who have died. We will be dedicating a tree for FungusAmongus. Following the dedication, we will conduct a hash memorial service at the site of the other trees. After the hash memorial service we will adjourn to the El Dorado Park Golf Course Restaurant and Bar where hashers and harriettes will buy their own drinks and a toast will be offered for those who have gone on. Any questions see Fruit of the Loom at a Long Beach Hash. Please note the time.***
