

LONG BEACH H3 SNOOZE

Hash Hotline: (562) HASHITT

September 1, 2011

Hash Website: www.lbh3.org

The Hashing-Third Psalm

The hash is my shepherd, I shall not stray
(another Thursday night run for LBH3)

The hares lead me down the trail of brambles for their ego's sake
(Southern Discomfort and I Chink So started at the Home Depot and lead the pack through the local neighborhood streets and parks)

They lead me down the by the stinking shiggy waters
(including a tour of the local waste ponds and urban shiggy with a couple of well-disguised beer checks)

They destroy the soles of my shoes
(at least the trail didn't have too many fences and was mostly stroller friendly)

Yeah, though I run through the valley of false trails
(yes, those damnable false trails to slow the pack)

I will fear no back checks

(except for the one after the shiggy pond that the pack I was with, went through)

For the pack is with me

(the pack, I was with includes; Princess of Incest, Pull Toy and her Niece, Space Mount Me, and Holy Shit My D***s on fire)

Their chalk, and whistles, they comfort me

(if only some of the front running bastards could slow down enough to actually mark the trail so the rest of us slow buggers could follow, trail ended at the other end of the home depot start location for a good A to A' run)

They prepare a table for me in the presence
of regulars and new boots
(munchmiester, Wrect Him, did a fine job of providing the munchies for the hash)

They anoint my head with beer
(hares Southern Discomfort and I Chink So drank for their shitty trail)

My mug and my shoes are overfilled
(lots of beer and down-downs for various hash crimes and such)

Surely the hash will follow me all the runs of my life
(Southern Discomfort and I Chink So did finally redeem themselves and it was agreed upon that they should continue their haring without Achey Breaky)

And I will check the trails of the Hash House Harriers forever
(or at least next Thursdays Hash run)

On – On

(On-On-On was at Fitzgerald's Pub, Good beer and grub to be had there. Also, On What, Granny Panties, and others were having a pool tournament of some kind, but I didn't stay around long enough to see the outcome)

On Out
Riff Raff

REHASH: THIS DATE IN HASH HISTORY

Run # 356 Date: 8/29/1991 (20 years ago)
 Place: Long Beach
 Hares: JAMES BONDAGE, GOLDFINGER, PILE DRIVER, WANKER & AUTO DO ME
 Miles: 6 Attendance: 76

It was the Thursday before Labor Day Weekend and hashers gathered in the Marina Pacifica Mall parking lot. Marine **JAMES BONDAGE** and his wife **GOLDFINGER** were leaving us again – this time for Tennessee. He said his new assignment would be guarding the Jack Daniels distillery, The other 3 hares were helping to give them a send-off they'd never forget! Sadly, this was also our first run without **SUTEKI BUNS**, who had passed away a week earlier. **ON CALL** led us in a moment of silence in **SUTEKI**'s honor before the run began. The turnout was smaller than usual as several hashers had already left for the America's Interhash in Waukesha. Scribe **SCOOTER** vowed to stay on trail instead of doing his usual shortcutting, but he couldn't keep on the floured path! The pack headed off through the mall and into Naples. Soon we reached the beer check at **PILE DRIVER**'s house. For some reason, **POOR AIM** kept passing everybody, but this happened several times, so he must have done a lot of extra longcutting. We continued on through more of the typical Belmont Shore scenery and eventually made it on-in. **SOSUMI**, **ZAPATA** and **COUNT DRAGULA** were later found at a bar about 50 yards from the start. Down-downs included sharing some of our special memories of **SUTEKI BUNS**. **JAMES BONDAGE** and **GOLDFINGER** were presented with some going-away gifts including a Tennessee license plate with a LBH3 license plate frame courtesy of **BROOMHILDA** and **GINGERBITUS** and a bottle of Jack Daniels from **AUTO DO ME**. They were also presented with a delicious, decorated cake which **ANGELFISH** and **SMOOCHER** wasted no time in helping to "undecorate". **HELPING HAND** received the hashit for "cuming to race and racing to win." We then adjourned to Barwinkle's for the on-on.

Tree Dedication for Fungus Amongus and Hash Memorial Service

It is a long-standing Long Beach Hash tradition to plant a tree as a living memorial for Long Beach-connected hashers who have died. We will be dedicating a tree for FungusAmongus. Following the dedication, we will conduct a hash memorial service at the site of the other trees. After the hash memorial service we will adjourn to the El Dorado Park Golf Course Restaurant and Bar where hashers and harriets will buy their own drinks and a toast will be offerd for those who have gone on. Any questions see Fruit of the Loom at a Long Beach Hash. Please note the time.
