## *Tree Dedication for Fungus Amongus and Hash Memorial Service*

*It is a long-standing Long Beach Hash tradition to plant a tree as a living memorial for Long Beach-connected hashers who have died. We will be dedicating a tree for Fungus Amongus. Following the dedication, we will conduct a hash memorial service at the site of the other trees. After the hash memorial service we will adjourn to the El Dorado Park Golf Course Restaurant and Bar where hashers and harriets will buy their own drinks and a toast will be offered for those who have gone on. Any questions see Fruit of the Loom at a Long Beach Hash. Please note the time.*

### REHASH: THIS DATE IN HASH HISTORY

**Run #:** 359      **Date:** 9/22/1991 (20 years ago)  
**Place:** Pico Rivera/Whittier Narrows  
**Hares:** BLACKJACK & WOOD HE PECK HER  
**Miles:** 5.5      **Attendance:** 70

The hares called this the 'Swimsuit Optional' run. It began in Pico Rivera at a little park across from the golf course near Sandoval & Fairway Drive. When scribe TUNA TACO arrived at the start, he and other hashers were greeted by QUICK CHANGE and her squirt gun. Hares BLACKJACK and WOOD HE PECK HER gave us our instructions and sprinted off. Since the Sunday morning sun was already beating down on us, we hoped that we'd have more than QUICK CHANGE's squirt gun to cool us down. Sure enough, we headed off into some sand and brush along the river. After more sand, dirt and checks, we arrived at the beer check where GLID'ER IN was waiting on a rapidly sinking raft in the middle of the river. What fun! ON CALL said it was better than Raging Waters. After we all cooled off, we were back on dry land and on trail. SCREW CAP found himself in the line of fire in a paintball war that some civilians were staging in the bamboo forest. DARKTANYON told the combatants that they should go join the Marines. Then we came to another river crossing where FUNGUS, RTD and REPO WOMAN demonstrated their swimming prowess. After another short run down a dirt road, we were on-in. Down-downs included bestowing the name SWINGING COCONUTS on Just Martha. EJECT's lady friend EAGER BEAVER declared that she was now a 'real hasher' because she had taken her first pee in the bushes. ON CALL got the hashit just because it was her turn, and then we adjourned to the on-on at Veracruz. HASH GASH got 'alouetted' and WILD BILL his posse arrived late because someone had to stay and finish the beer that was left in the keg. THIS RUN WON FOR BEST TRAIL OF 1991.

ALSO IN SEPTEMBER 1991 – Run #360 on 9/29. We named several hashers including Just Cia aka PENIS BUTTER (because the name went so well with NUT N'HONEY).
